### Welcome back!

I hope that all of our families enjoyed a relaxing festive break! We are already back in the swing of things as the Spring term is well underway.

Please continue to work in partnership with school this year to help your children to achieve the best they can in their learning this term by:

- Hearing them **read** at least twice a week at home. Practising **spellings & times tables**.
- Supporting with **homework**
- Getting them to school **on time** with all the things they need (including their **reading book and P.E. kit**)
- **Attending events** in school (like our family learning and parents' evenings).
- Having regular **contact with school staff** about how your child is doing.
- Letting us know if there is a problem/issue.

Mr Jewkes

## Lunchtime library club

Since we have returned to school the library has now been opened at lunch time for all children to access on one allocated day each week. Our team of Year 6 librarians have done a fantastic job so far! Please share in the joy of reading the library books at home and make sure they come back each week!

*We celebrated mass on Tuesday this week. Father's homily reflected upon the Epiphany and our need to be a blessing to each other! Father gave us some blessed chalk for us to bless our class-*
